THVC Submission to the Local Plan plus Pin Statements

1st Pin Set - Potential Residential Sites within the Urban Area Map

Statement: Inappropriate, THVC do not support it, its urban creep from existing developments would open up additional housing within the green belt

2nd Pin Set - Promoted Green Belt Sites Map (all sites)

Statement: THVC do not support any development on green belt and conservation areas, brown field development must be prioritised within BCP at all times

3rd Pin Set - BCP Strategic employment Sites Map (Wessex Fields)

Statement: THVC supports this development so long as there is no access east of the A338 (towards Holdenhurst).

Put a Pin on the SANG area

Statement: THVC strongly object to the change of use from agricultural use to that of SANG.
