

Throop and Holdenhurst Village Parish Council

THVC Submission to the Local Plan of Pin Statements to the BCP Interactive Map

Potential Residential Sites within the Urban Area Map

Statement: Inappropriate, THVC do not support it, its urban creep from existing developments would open up additional housing within the green belt

Promoted Green Belt Sites Map (all sites)

Statement: THVC do not support any development on green belt and conservation areas, brown field development must be prioritised within BCP at all times

BCP Strategic employment Sites Map (Wessex Fields)

Statement: THVC supports this development so long as there is no access off the A338 (towards Holdenhurst).

BCP Centres of Employment Map

Statement: THVC do not have objections to minor developments in Yeomans Way, however THVC do not want to see any further development or expansion of Blue Roofs Farm.

BCP Promoted Leisure Sites Map

Pin on Waterpark, Hurn

Statement: THVC strongly disagree with the Water Lagoon development within the greenbelt, with noise pollution, increased traffic, all of which is in detrimental to wildlife and local habitats

Pin on Alice in Wonderland and Hicks Farm

Statement: If there are plans to develop the leisure facilities at Alice in Wonderland then THVC sees no requirement for any future leisure development at Hicks Farm which is less than 1 mile away and will be easily accessible through the proposed transporting cities bicycle super-highway

BCP Potential Areas of Change Map

Put a Pin on Hicks Farm

Statement: THVC strongly objects to any retail or commercial activity at Hicks Farm

Put a Pin on the SANG area

Statement: THVC strongly object to the change of use from agricultural use to that of SANG.

Put a Pin on the Burial Ground area

Statement: BCP should undertake a review on existing bereavement services. THVC does not support the use of historic landscape for burial purposes or any associated infrastructure within the green belt/conservation area. These needs are already being supplied by private enterprise elsewhere around the BCP area.

BCP Conservation areas Map

Statement: BCP council should do more to uphold and enhance the conservation byelaws. These conservation areas must not be eroded, compromised or degraded in any shape or form.

Important Note

On every pin that affects the Parish the following wordage should be added at the end of each statement: THVC wishes to be consulted on this matter.
